Phase 1 - Discovery

Project Scoping

Let's lay the groundwork for your eSports success.

Bespoke Solutions,
Tailored to You

Every eSports setup is unique. We start with a deep dive to understand your vision, existing infrastructure, and aspirations.

Site Survey
- The Foundation

Our experts assess your space, power capabilities, and any potential challenges. We leave no stone unturned.

Consultation
- Collaboration is Key

We listen. We brainstorm. We work within your budget to create a solution that aligns with your goals

Beyond Hardware

We consider the entire ecosystem – physical space, aesthetics, and your team's ambitions.

What's Your
Endgame?

Tell us what you want to achieve, and we'll craft a plan to get you there.
