# The Microsoft Surface Copilot+ PCs subscription offer

This programme combines Microsoft's market-leading Surface technology with CF Corporate's innovative subscription model and substantial price reductions to create the perfect opportunity to take full advantage of the latest developments in both technology and finance.

## **The latest Microsoft technology**

Customers can choose between Intel® Core™ and Snapdragon® -powered Copilot+ PCs from Surface, and experience the most advanced, intelligent and secure PCs available across both platforms. Paired with Microsoft 365 Copilot and enhanced AI processing power, these devices transform the employee experience to amplify your team's efficiency and creativity through Copilot+ PC experiences designed for work.

## **Don't buy, subscribe with XMA**

Subscribing with XMA delivers a customer focused, transparent and sustainable solution that guarantees end-of-term options from day one.

Listed below are the Surface devices included in the programme.

Subscription is not restricted to these items, any Microsoft product can be added to a subscription agreement outside of this offer, which still represents exceptional value.
